It is universal that well and woe come by turns. Sometimes, crimson rays of hope delight our mind and defeat makes our path rough. To achieve success, we the Blues don't be disappointed to the roughness of the path. Like the ruler Ishakha we dominate every competition and bring success for us. With the speed and strength of the panther we reach to the glorious end.

In this year the Ishakha House has shown excellent performance in many competitions. We have become champion in the inter House Volleyball competition. In the Inter House English Debate, our panthers have won Runner up trophy. The performance of our team is admirable in the Inter-House Sports.

To fulfill dreams, we have to overcome a lot of hurdles. We have the power and quality. So we are confident that we can achieve the crown of victory with our greatest efforts.
